FIFA is the world's most popular football video game franchise, now available on PS4™, Xbox One, and PC, with over 1.5 million units sold in the United States alone. FIFA is the world's most popular football video game franchise, now available on PS4™, Xbox One, and PC, with over 1.5 million units sold in the United States alone. What's New in FIFA 22? Two-Stage Kick. Smart and reactive players use kicks to get into space, create space and use their speed to accelerate and pass in new ways. Whether it's a timely touch on the ball or a sweet pass, a player's skill ultimately determines how and where they play, and this new ability has changed the way we think about football strategy. More Control in the Middle of the Field. Mid-field control has been enhanced to encourage aerial play, and players can now stand in-between the center backs to create more space and goals. New X-Factor AI. New AI settings will enhance the team's play at all times, whether it's from the dribble, through the pass, or through the shot. Automatic goalkeeper AI. Decisions will be made for the goalkeeper even if the ball is not in the box, making them more difficult to beat. New Speed Control. Players are more agile, dynamic and unpredictable, and their skills are more fundamental to their success, allowing for more 1v1 opportunities. FIFA FUT Champions. Ultimate Team Champions will be rewarded with a faster roster unlock rate, increased squad sizes, and unique Champions that level up multiple players per squad, bringing them one step closer to the ultimate goal. New Career Mode. Following the release of FIFA 19, we are announcing a whole new career mode called the "Road to Glory", which will allow players to go from being a rising local star in their hometown, through to a star player in the world's top leagues. New Career Mode is available for purchase in FIFA Ultimate Team as well as Arcade, and fans will be able to unlock items and downloadable content for the mode. New Commentary. New voices join the existing voice cast of one of the world's leading football commentators, Martin Tyler, and three commentators with new voices will be announcing play-by-play and offering insight on
